- 1 hour = 60 minutes
- Max. of 15 students per class
- Professional and qualified instructors
- Communicative methodologies
- 4 levels - beginner to advanced
- Placement test on first day

ENTREPRENEURSHIP

Students come together and cultivate skills that empower them to think creatively and acquire the unique mindset of an entrepreneur. This exciting new course aims to develop critical thinking, innovative decision-making, problem-solving, brainstorming, and teamwork skills. In their final presentations, students are challenged to present their ideas and explain their vision.

- Intermediate to advanced English level required (equivalent to IELTS 4.0+)

ACADEMIC & CAREER PREP

This programme is designed to help international high school students prepare for the coming challenges of post-secondary studies and professional life in a supportive and academically stimulating environment. Students develop a better understanding of their identities' life goals. Combining critical exercises in self-reflection with an exploration of the study and career options available to them.

- High Intermediate/Advanced English required (equivalent to IELTS 5.0+)

3 week sessions
